SOCKET is the mascot of The City of Nashville and Davidson County Department of General Services new Energy in Action program,
SOCKET- UNPLUG NASHVILLE.

SOCKET can play an important role in guiding children to use energy wisely and make our city more sustainable for the future.

SOCKET invites children to play energy information based games at our website, **socket.nashville.gov**, where everyone can also learn about the acclaimed projects we have completed and tips that can save you energy at home.

SOCKET needs you!
